

Our "Risk Free" CSA combines the traditional aspects of Community Supported Agriculture by relying on the relationship between the members and the farmers with the new bonus of being risk free for everyone!

Urban Acres has developed an innovative system for growing produce indoors. We use hydroponics and grow lights to cultivate fresh, chemical pesticide free fruits and veggies*.

We guarantee our produce to be fresh and chemical pesticide free! All of our packages are grown with **LOVE** ~ Locally Grown, Organic Pest Control, Vine Ripened, Every week, because here at Urban Acres, every week is summer!

Name _____

Address _____

E-mail _____ Phone _____

Please indicate package choice and mail, fax or e-mail to us. First package pickups will occur mid October, we will contact you with the exact date.:

*A few disclaimers: All of our in house grown produce is guaranteed to be chemical pesticide free. Sometimes we get bonus items from our friends, and these will be clearly marked with the appropriate guarantees. We guarantee 10 items every week, but we can't necessarily guarantee what types we will have available, it depends on the crops.
